

## Technical Advancement at IIIDEM:

- 1. Mobile Application Launched:** With the development and launch of Mobile Application, IIIDEM has moved a big step ahead in its technical appearance and advancement. The new App will be enabling the Participants to go online for their feedbacks and reverts with context to the trainings availed during the prescribed course durations in terms of sessions, etc.

The mobile based solution will enhance the analysis process for the feedbacks and thus leads to more developed and better training delivery.

A Glimpse into the App could be as follows:

India International Institute  
of Democracy & Election Management  
Election Commission of India
